Our Service

Selection of Vendors

We assess factories in terms of

- product range
- quality of the products
- production capacity
- facilities
- financial capability
- technology orientation
- man power
- working conditions
- managerial efficiency and
- The overall quality policy of the vendors.

Once our initial assessment is conducted, we exchange information with our principals and make an informed decision in approving selected vendors.

Sampling

We provide samples that are developed to incorporate colors, fabrics and styles based on the requirements of our buyers. We manufacture samples in quantities as required by our customers. By offering this essential service, we sharpen the marketing efforts of our buyers in their region by giving them an edge over their competition.

Total Quality Control in order Execution: (Quality Management)

We closely monitor orders from the moment of sampling to the time of shipment. We provide updated status on sampling, production and shipment to our buyers on a regular basis. A Pro-active updated status on sampling, production and shipment to our buyers on a regular basis. A Pro-active samples selected at random is based on specifications of the buyers and cover teria like design/ style, shrinkage, accessories, appearance, markings, color, labeling, material, assortments, workmanship, measurements, packing etc.

Status Reporting

Status report is based on multi-state inspection and transmited to the buyers. The production progress is analyzed in relation to delivery terms and suitable course of action is taken to ensure that goods are delivered in time. Consignments are readied for shipment only if they match up -to the standards required by our buyers.

Documentation and Shipping Co-ordination

Shipping documents are checked as per the buyer's instruction and the copy documents are sent to buyers well in advance of the shipment to avoid any discrepancies.

Price

We scrutinize prices quoted by our factory as well as the other suppliers and with our own experience of the cost structure in the country, obtain the most realistic prices from them.
